MEASURE YOURSELF FOR THE BEST FIT

Get The Right Fit - For Comfort & Style!

A. CHEST WIDTH:

Measure from armpit to armpit across the chest.

B. BACK LENGTH:

Measure from centre of back at neck to bottom of shirt.

C. SLEEVE LENGTH:

Measure from centre of back at neck, down across shoulder to elbow and down to wrist.

TIP:

One of the easiest ways to go about finding a good fit is to find a shirt in your closet that fits you well and lay it out on a table. Take the measurements of that shirt as shown here. Then choose the closest fit from one of our sizing charts.
